ROUGE & BLEU

IMAGIN

ORIGIN:

Alcohol originating from certified organic marc from the estate. The dilution water used originates from Alcyon River, a resurgence emerging from the ground only a few steps from our vineyard.

Artisanal distillation of our wine first, followed by the distillates (juniper berries and other Provençal plants...) in an old still, dating from 1901 and heated over a wood fire.

TASTING NOTES:

Citrus, cilantro scent and bitter notes. These aromas are combined with fine touches of bergamot and a sweet finish of sweet rose petal.
